Seventh Avenue Presbyterian Church Name Release Form

In this digital age, the church takes many pictures of baptisms, choir performances, worship services, Perspectives classes, special events, and community outreach projects. We use these pictures to record, to promote, and to celebrate our church community and ministries. Pictures are used on bulletin boards, in slide shows and PowerPoint presentations, in printed publications, and on our church website and social media.

We do not identify children or youth by name in the photos and videos we use in our online and printed publications. To ensure the privacy of children and adults, the use of full names or personal identifying information requires verbal approval for adults and written approval for children from the parent or legal guardian. You can view the full Media Policy on our website.
